Game	Players	Description / Scoring

Each player hits off the tee, the best shot is selected with the other player picking up their ball and place it, within one handspan, alongside the best ball. Each person then hits a second shot from the same spot. The best shot is again selected. This continues until the ball is in the hole. On the putting green the best ball is marked and the other balls are played from this position. Each player must have 6 drives each selected.
Canadian Foursomes Stableford	Teams of 2	Stableford Foursomes alternate shot. Both players tee off then alternate shots are hit.

ALGC Local Rules

What to know before teeing off...

- Please check 'CONDITIONS OF PLAY' for any changes to local rules.
- Pond at 3rd/12th hole to be treated as YELLOW STAKED WATER HAZARD. As a local rule you may play provisional ball from the tee if unsure ball has entered hazard. If your ball has gone into the pond, your second shot must be taken behind the pond, with point of entry between you and the hole, not from the sides.
- A ball lying on any closely mown area may be marked, lifted, cleaned and placed within 15cm of the original spot no nearer the hole.
- All unmarked drains are to be treated as part of the fairways, as they are unmown, there is NO RELIEF.
- Concrete drain near 1st green and 2nd fairway, treat as a free drop when ball lies on CONCRETE only – one club length at nearest point of relief.
- The irrigation trench itself and any part of the course behind the trench, above the 8th and 17th greens, to be treated as OUT OF BOUNDS.
- Always KEEP UP WITH THE FIELD. If you have lost a ball and players are waiting, wave them through.
- Three minutes is the time allowed to look for lost ball.
- Mark cards AFTER you have hit off.
- Do not wait for everyone else to hit before walking to your ball. Be ready to hit when it is your turn and always take your buggy up to your ball. At the green, place buggy behind the green. If ready, tee off. Don't wait on others.
- SLOW PLAY IS NOT CONSIDERATE PLAY. After two warnings members will receive a penalty of 2 strokes.
- INGROUND RED markers will be used to tee off for all events.
- NO MOBILE PHONES to be used whilst on the golf course except for using MiScore, in the case of an emergency and for checking rules.

PLEASE OBSERVE THE RULES OF GOLF AND GOLF ETIQUETTE AT ALL TIMES TO ENSURE A PLEASANT GAME OF GOLF FOR ALL.
